**Steve Bullock**  
Chair  
Conference of Western Attorneys General  
1300 I Street  
Sacramento, California, 95814

Dear Mr. Bullock,

I would like to express my most sincere appreciation to the Conference of Western Attorneys General for its continued support of the multiple training sessions and courses provided to state law enforcement personnel in Mexico.

I am convinced that the collaboration between the Government of Mexico and the CWAG facilitates the implementation of the constitutional reform of Mexico's criminal justice system, and therefore contributes to strengthening the rule of law. In a complex bilateral relationship such as ours, state and local actors play a major in promoting the security and prosperity of both our peoples. Therefore, the active engagement of state and local authorities with their counterparts on the other side of our common border is essential to build a stronger sense of co-stakeholdership of our bilateral relationship.

I look forward to continuing working with CWAG in the future, and I take this opportunity to convey to you the assurances of my esteem and consideration.

Sincerely,

  
Arturo Sarukhan  
Ambassador of Mexico

*Best wishes!*
